

Melissa Juzva and Deirdre Brandner are pleased to announce that they will be introducing the Secret Agent Society (SAS) training in Term 4.

**SOLVING the MYSTERY  
of SOCIAL ENCOUNTERS®**

SAS is a 12-week group emotion regulation and social skills program for children aged between 8 and 12. The SAS program was initially developed for children with Asperger's Syndrome however emerging research is proving it is valuable for any child who is experiencing difficulties understanding and expressing their emotions, getting along with others, making and keeping friends and coping with change. The attached flyer has more detailed information on the program.

SAS is best delivered in a group setting but can be more financially affordable if completed individually. If delivered individually, the Medicare rebate of \$83.25 per session applies. If delivered as a group the Medicare rebate significantly reduces to \$21.25 (more if you have reached the Medicare threshold). We are offering the group program in Term 4. If you are interested in individual sessions, please contact us.

**Program Dates:** Mondays in Term 4 (8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup>, 29<sup>th</sup> October; 12<sup>th</sup>, 19<sup>th</sup>, 26<sup>th</sup> November; 3<sup>rd</sup>, 10<sup>th</sup>, 17<sup>th</sup> December).
